## POWER SUPPLY SPECIFICATIONS

|                 |              |                       |
|-----------------|--------------|-----------------------|
| Dynamic motor   | /            | 36                    |
| Suction motor   | 2 x 850w     |                       |
| Brush motor     | 3 x 750w     | 3x OR 80 C hydraulic  |
| Drive motor     | 2 x 750w     | 2x OP 160 C hydraulic |
| Starter battery | /            | 12v - 350A - 40A/h    |
| Drive batteries | 36v - 625A/h | /                     |
| Battery charger | 36v -80A     | /                     |

## MOTOR

|                   |          |                |
|-------------------|----------|----------------|
| Power supply      | Electric | Petrol/Gas     |
| Motor brand-model | /        | Kubota DF752E  |
| No. of cylinders  | /        | 3              |
| Power             | /        | 22Hp - 3600rpm |
| Cooling           | /        | Water          |

## DIMENSIONS

|                         |                      |       |
|-------------------------|----------------------|-------|
| Length x width x height | 2100 x 1300 x 1400mm |       |
| Brush diameter          | 3 x ø380mm           |       |
| Squeegee                | 1470mm               |       |
| Empty machine weight    | 590kg                | 830kg |
| Battery weight          | 650kg                | /     |

The I42 scrubber dryer is standard battery electric power and also available in LPG. Designed for the larger indoor and outdoor commercial and warehousing / industrial applications, the unit is heavy duty with large solution and recovery tank capacities allowing for longer run times.

**Toyota Material Handling Australia** 8 Secombe Place, Moorebank NSW 2170
