

Solutions For Every Pallet[®]

Whether you own a single forklift or a fleet, we want to show you why Toyota Material Handling is the world's number one forklift company[#].

We've got the range to provide you with the best possible material handling solutions, plus the service and replacement parts support you'd expect from the world leader.

The benefits of dealing with Toyota Material Handling include:

- Australia's biggest range of materials handling equipment
- No.1 counter-balance forklift for over 26 years
- Leading product, safety and environmental initiatives
- 100% Toyota owned branches
- Australia's largest rental fleet with over 18,000 units
- Forklift rentals from 1 day to 5 years with flexible finance options available
- 350+ service support staff & 200+ service vans

And when you have to make every cent count without lessening productivity, a quality used forklift from Toyota Material Handling can be a cost-effective solution. We have a huge range of forklift brands priced to sell and ready to work, with options to suit all budgets. To view our extensive range of used forklifts simply visit www.tmhpreowned.com.au

There's never been a better time to get Australia's best range of material handling solutions working for you.

Toyota Service Advantage

At Toyota Material Handling, we place an important emphasis on expert service to keep your forklift working and your servicing costs as low as possible.

No matter what forklift brand you use, Toyota Material Handling's factory trained technicians use the latest diagnostic equipment to ensure a fast and accurate

diagnosis, that helps to save you time and money.

It's all part of our Toyota Service Advantage, and just another reason why a Toyota Material Handling service is genuinely better for your forklift and your pocket.

For your nearest Toyota Material Handling branch call or visit our website.
