THE TOYOTA ADVANTAGE

TOYOTA MATERIAL HANDLING

For over 50 years Toyota Material Handling has been at the forefront of the Australian materials handling market and has been a pioneer in making forklifts more productive, safer and cost-effective.

We recognise that choosing the right supplier is just as important as choosing the forklifts and warehouse equipment that will meet your needs.

As Australia's leading forklift company, it doesn't matter whether we are supplying you with a single spare part, a rental forklift, or helping you manage your entire fleet, our objective and commitment remains the same – adding value to your operation.

That's the Toyota Advantage.

LEGENDARY RELIABILITY

Every forklift we sell is built with the same precision and famous advanced manufacturing technologies as Toyota's automotive products. But we don't just say it, we've demonstrated it for over 50 years. That's why when you choose to partner with Toyota Material Handling, you're choosing our legendary quality, durability and reliability.

WORLD LEADING SAFETY

Safety is as much a part of our business as it is yours. That's why we pioneered the System of Active Stability™* (SAS™) over 20 years ago. Over 3,000 calculations per second delivering class leading stability, safety and assisting accident prevention – protecting your most valuable assets. We may have pioneered SAS™ over 20 years ago – but we never sit still when it comes to safety. That's why when you choose Toyota, you're choosing our world class safety.

DRIVEN BY INNOVATION

We know that innovation drives your business, because it's what drives ours. From our trusted market leading Toyota forklifts, to our industry leading System of Active Stability™ safety and I_Site telematics technologies, our spirit of continuous improvement drives us forward. We're also proudly committed to a sustainable future with energy leading solutions and zero operating emissions forklifts.

MORE UPTIME NO MATTER WHERE YOU ARE

500+ service support staff. 350+ mobile service vans. 21 locations. Parts and service when and where you need them. In a country as large as ours – you need a service network as big as ours.
